FIRST VIEW

imm cologne 16. – 22.01.2017

The perfect private bar.

GUARD is a purist bar cabinet designed for Schönbuch by Christian Haas. The doors open fully, folding back against the outside to reveal an open-fronted bar. With an array of matt and high-gloss paint colours to choose from, GUARD can be finished to taste. The interior is fitted with glass shelves and LED lighting. Functional and timeless, GUARD is a statement piece of sheer luxury.
